Dear Sir:

In response to the Office Action dated 12/17/2003, please consider the following:

AMENDMENTS

In the Claims:

Please amend Claim 1 as follows:

1. (Currently amended): A male urinary system comprising:

AC  
a penis/urinary collection~~penis/urinary collection~~ interface unit, said penis/urinary collection interface unit comprising a primary receiver unit for accommodating ~~at least a portion of the length of a male penis during~~ urination, configured for juxtaposition to and temporary seating against the adjacent pubic area, and a secondary containment unit in which said primary receiver unit is at least partially nested with proximal margins of said secondary containment unit and said primary receiver unit being fused to
